

CORPORATE SOCIAL RESPONSIBILITY

HOLIDAY CHARITIES

December holiday season represents time of giving. Some Httpool offices around the world join in the spirit of sharing and organised various activities to help those in need. We are happy to be able to present two such initiatives and welcome any future initiatives.

India

Httpool colleagues in India opened their hearts and visited children living at VISA Anmol Home Orphanage in Mumbai. They helped bring some smiles to children's faces by offering gifts, sponsoring supplies and school fees.

"What we received in return was priceless! The innocent laughter, song and dance warmed our hearts. Being good and kind is a wonderful way to live, and it helps lift up others who don't have it as good as you."

CORPORATE SOCIAL RESPONSIBILITY

HOLIDAY CHARITIES

Baltics

Our offices in the Baltics coordinated a joint corporate effort and delivered gifts to children, as well as undertook some additional individual activities, such as blood donation, Christmas gifts for Angel post and packed presents for the elderly. Some colleagues in the region do charity not only during Christmas but throughout the whole year and regularly place donations. At the end of the year, everybody has tried to give a helping hand to a purpose that matters - by donating money, sending presents, buying handmade advent candles from people with special needs or similar.

In the future, Httpool in the Baltics is going to support a project called "Stiprini stipros", which gathers resources for people who need 24/7 care and start a campaign "Neklusē" ("Don't be silent"), an awareness campaign about bullying in schools and how to notice it and what kind of actions to take.

"It's not only about doing good during Christmas time - you need to do it regularly throughout the year. As often we tend to forget about people in need from January until October."
